## LPPDE Europe 2025 – Stockholm May 5-8

## ***LPPDE Europe 2025 in Stockholm is approaching!***

*Dear participant!*

*Join leading thinkers pioneering lean product and process development! Are you ready to connect? To learn? To share? and have a great time with peers at the leading edge of lean improvement journey?*

*The speed of your product development process is your competitive edge and therefor we are focusing on: **"Shorten Time-to-Market"**. This is a clear advantage for R&D Managers, for Product owners and for the engineers who will learn faster and create customer delight.*

*Bringing innovative products to market faster is more critical than ever, yet R&D managers often struggle to accelerate timelines without sacrificing quality. Shortening time-to-market requires more than just urgency—it demands leadership alignment, cultural shifts, and process discipline to drive meaningful change.*

*Lean principles provide a proven framework to streamline collaboration, enhance problem-solving, and create a more responsive development process.*

*This conference is designed for R&D managers seeking practical strategies to empower engineers, streamline development, speed up delivery, and Shorten Time-to-Market. Through shared experiences, expert insights, and hands-on learning, you'll gain practical strategies to drive real impact. Join us to explore how Lean can help your team make the leap from complexity to speed—without sacrificing innovation or excellence!*

*Whether you're fired up or feeling at a loss, please come join us in May in Stockholm, Sweden, as we persevere toward ways to Shorten Time-to-Market. Our objective is to make sure you walk away inspired; with a supportive network and some new ideas you can implement right away!*

*We hope you'll join us in Stockholm, Sweden, May 5 - 8, 2025!*

*Peter Palmér, Conference chair & Christer Lundh Conference co-chair LPPDE Europe 2025*

*The slides from most of the presentations will be shared as a pdf after the conference and the speakers are normally very open to answering questions and to continue the EXCHANGE of knowledge.*
